# DISCOVER INNOVATION

This is not a cruise. This is the newest game-changing event destination that goes beyond the borders of ordinary. A ship that takes attendees to the sea, sky and plenty of action-packed shores along the way. It's innovative technology, entertainment spaces that literally transcend the stage, and countless team-building thrills like skydiving and bumper cars right onboard.

Attendees can order a cocktail mixed by robots at the Bionic Bar® then take in views 300 feet above sea level on the North Star®. And savor all new culinary adventures that take them from Italy to Wonderland. All on a world-class ship loaded with unique venues and meeting spaces for any type of occasion and group.

Whether you're rewarding your best with an incentive trip or getting down to business, *Odyssey of the Seas*™ is the ultimate combination of work hard, play hard. This is a ship that will take your event to soaring new heights.
